Mr. Rick Staly
American Eagle Sentry, LLC
4873 Palm Coast Parkway NW
Palm Coast, FL 32137

Dear Rick,

As the president of the Harbor Village Marina board of directors, I would like to take this opportunity to express my gratitude to you and the entire staff of American Eagle Sentry for the outstanding service you have provided to our owners and guests.

The guards at the gate have always been courteous and have never hesitated to go the "extra mile" in helping out when needed. The level of professionalism we have experienced in dealing with your company has been outstanding.

We feel that our community is a much safer place with AES as our security company and I would not hesitate to recommend you to anyone seeking to insure the highest level of security for their community or business.

On behalf of all our owners and residents, please accept our thanks for a job well done.

Best Regards,

Harbor Village Marina Association, Inc.

William H. Mills
President
